

Computer Acceptable Use Policy (KS1 Pupils)

Introduction:

The use of the latest technology is actively encouraged at Kent College but with this comes a responsibility to protect both students and the school from abuse of the system.

All pupils, therefore, must adhere to the policy set out below. This policy covers all computers, laptops and electronic devices within the school, irrespective of who is the owner or whether used on or off school premises.

All pupils are expected to behave responsibly on the school computer network, as they would in classrooms and in other areas of the school.
