This school is us. KC pupils becoming the people we choose to become. It's where we reflect on change. Personal and global. It's where we make mistakes. Get scared, get brave. Give up and then begin again. Where everyday's a school day for our teachers as they learn from our imagination, ideas and understanding. Where we try out new roles. Act with kindness, care and consideration. Where we show that a school is a meeting of minds, not a static institution. Where we follow traditions not as dusty rigidities, but as moments we breathe life into. This school is us because, soon, very soon, the world will be us.

WELCOME

Choosing the right school is an important decision and we aim to give you the information to help you decide if Kent College is the right school. We are here to guide you through the admissions process.

Visits

Before applying for a place, we strongly recommend, where possible, that prospective students and their parents visit the school to meet the Head, staff and students and to see the facilities. Visits are recommended in the two years prior to entry and can be arranged by contacting the Admissions Team on admissions@kentcollege.kent.sch.uk.

In addition to individual visits, we also hold Open Mornings in the Autumn and Spring terms and have regular events throughout the year.

Entry Points

In the Senior School, the main points of entry are at Year 7, Year 9 and the Lower Sixth. Occasionally places are available in Year 8 and Year 10. For those who attend a Prep school there is also the option to apply at Year 6 and defer entry to start in Year 9. Assessments for entry are held in the Autumn Term prior to entry, and offers of a place are made in December.

Parents who wish to proceed with an application to Kent College must complete the online Application Form. In addition, we also require a £150 registration fee together with a copy of your child's latest school report and passport. Upon receipt of the above, your child would be registered for entry and a member of the Admissions Team will be in touch to confirm the next steps.

ADMISSIONS PROCESS

Year 7

Pupils applying for a place in September 2025 should be registered by Friday 18th October 2024. The Entrance Assessments will take place in November 2024. The entry process for Year 7 is as follows:

- Candidates will sit computer-based, nationally standardised tests and complete a short creative writing task.
- Candidates are interviewed in groups by senior members of staff and take part in a range of activities.
- A reference is requested from the candidate's current school.

All pupils who sit the Entrance Assessment are considered for an Academic Scholarship and will be invited for a further interview. Parents will be informed of a scholarship award by the end of the Autumn Term.

Both general entry and Academic Scholarship entry decisions will be based on results from computer-based tests. No preparation is required for these tests and no practice materials are available.

Year 9

Students applying for a place in September 2025 should be registered by Friday 18th October 2024, and the Entrance Assessment will take place in November 2024. The entry process for Year 9 is as follows:

- Candidates will sit computer-based, nationally standardised tests.
- Candidates are interviewed by a senior member of staff.
- A reference is requested from the candidate's current school.

All pupils who sit the Entrance Assessment are considered for an Academic Scholarship and will be invited for a further interview. Parents will be informed of a scholarship award by the end of the Autumn Term.

Both general entry and Academic Scholarship entry decisions will be based on results from computer-based tests. No preparation is required for these tests and no practice materials are available.

Sixth Form

Applications to the Sixth Form will be considered at any time during the year. External candidates are advised to apply by the end of the Autumn Term the year preceding entry to guarantee that they are able to study their chosen A Level options.

References will be sought from their current school and candidates will have an interview with either the Deputy Head Academic or the Head of Sixth Form.

For entry to the Sixth Form, candidates are required to have at least six GCSEs at Grade 4 or above, with Grade 6 or above in the subjects being pursued at A Level. Candidates are expected to achieve a Grade 7 or above in Maths and the Sciences if they wish to study these subjects at A Level.

International Applications

We welcome applications from full boarders, but also, depending on availability, for short stays of one term to one year. International families are encouraged to visit the school in person and should contact the Admissions Team to arrange a visit.

Following receipt of an application, international applicants are required to sit online entrance tests in Maths and English before being interviewed by our Deputy Head Academic or the Head of the International Study Centre.

Kent College does accept the UKiset test. Applicants who sit this assessment will not have to complete further assessments, but will be invited for an interview.

Other Applications

Where we have capacity, applications are welcome for other year groups. Please check availability with the Admissions Team before proceeding.

Accepting a Place

To formally accept an offer of a place we require a completed Acceptance Form, Parent Contract and deposit. Upon receipt of these, the place will be secure. For those joining Year 10 or Sixth Form we would also require a subject Options Form that will be sent to you. Closer to the point of entry a New Joiner Handbook and forms for completion will be sent to you with any other paperwork required.

AWARDS

Kent College is proud to offer a range of scholarship opportunities at Year 7, Year 9 and Sixth Form for Academic, Art, Dance, Drama, Music and Sport. They are awarded to pupils for demonstrating a particularly high standard of achievement.

It is possible for pupils to receive multiple scholarships. Pupils applying for Year 7 and Year 9 may apply for up to two Practical Scholarships and will be automatically considered for an Academic Scholarship. Sixth Form applicants may apply for an Academic Scholarship and up to two Practical Scholarships. External candidates awarded Practical Scholarship awards are required to meet Kent College's general academic entry requirements.

Scholars at Kent College are automatically enrolled onto a specialist Scholars' Programme, which includes a dedicated staff supervisor with whom they meet regularly. Their supervisor helps them to balance the demands on their time, their expectations and those of their teachers and the wide range of commitments that many of our scholars have, as well as providing ongoing feedback and reporting. Scholarships are annually reviewed and subject to satisfactory performance and commitment.

A limited number of awards will be made and there are many applications of a very high standard. Scholarship is a competitive process; the criteria detailed in the pages that follow are guidelines only and are simply there to help families determine whether to make an application. They are not success criteria.

ACADEMIC

Academic Scholarships are awarded to candidates who excel in the Entrance Day assessments and there is no need to apply. We expect our Academic Scholars to demonstrate a passion for learning, an ability to think outside the box and a curiosity to find out more. We want to see a willingness to persevere, the rigour to achieve excellence and the desire to embrace new opportunities.

An Academic Scholar at KC will receive:

- 1** Regular one-to-one mentor meetings with a dedicated scholarship supervisor who will offer support and guidance, assist with academic target-setting and encourage aspirational goals.
- 2** Invitations to our HALO (High Aspiration Learning Opportunity) lecture series. These lectures take place several times a term and cover a wide range of stimulating and challenging topics. The speakers will explore a variety of cultural, scientific and political themes which will take the pupils' thinking beyond the limits of the curriculum.
- 3** Years 7-11 Academic Scholars will have the opportunity to attend the weekly Project Club, where they will work on a piece of independent research of their choice. This leads towards a formal qualification in project skills.
- 4** Sixth Form Academic Scholars will join a critical thinking discussion group which meets once a fortnight. They will examine ethical, philosophical or political issues which will lead to further research and wider reading around topics which spark their intellectual curiosity.
- 5** A wide range of extra-curricular and in-class enhancement activities, including, for example, CREST awards. Staff will ensure that significantly challenging material is always available for them.
- 6** Workshops and lectures with external speakers.

Assessment

There is no need to apply as all candidates will be automatically be considered for Academic Scholarship based on their performance in the Entrance Day assessment.

Those considered suitable for an Academic Scholarship will be invited for a further interview, and Kent College will seek a full confidential report from their current school.

ART

Art Scholarships are awarded to candidates who demonstrate a high level of skill and independent interest in Art. An Art Scholarship in Textiles is offered in the Sixth Form. Art Scholars are expected to play an active and positive role amongst art students within the school, and to participate in all scholar programme events.

An Art Scholar at KC will receive:

- 1 A weekly session led by the Head of Art and Art Prefect, where they not only work on their own pieces but also debate topics of interest and support each other's work. This mentoring approach is valuable to all involved and excellent preparation for A Level and university.
- 2 An annual exhibition attended by friends, family and the whole school community to display their work.
- 3 Access to the Art studios outside of timetabled lessons.

Facilities

Art is taught in modern studios in our purpose built Arts Centre, with equipment for exploration of a wide range of processes and techniques. For those interested in photography, we have Nikon DSLR cameras with a wide range of lenses and software for digital post-production.

Assessment

Candidates for Art Scholarships must submit all completed forms by the published deadline. Kent College will seek a full confidential report from their current school, plus a specialist reference from the Art teacher at their current school before assessment.

Candidates' level of achievement, enthusiasm and future potential will be assessed during an interview to which candidates should bring a selection of up to six pieces of recent work. As well as their own work, they should also bring evidence of a recent gallery visit and responses to any artist's work that they found interesting. This could be written or drawn.

Candidates for Art Scholarships will be required to demonstrate the following:

- A high level of visual and practical competence.
- An informed knowledge and interest of Art and artists.
- The ability to work independently; at least two works from the portfolio must be work created from outside the classroom.

The Art Scholarship assessment will take the form of:

- An interview with the Art Department – to include discussion of work and gallery visit.
- An observational test on the day.

DANCE
